NABIN BHATTARAI

WEB DEVELOPER

Kachan Kawal-6,Jhapa | nabinbhattarai@214gmail.com | nabinbhattarai11.com.np | 9825977097

SUMMARY

Motivated and problem-solving web developer passionate about creating user-friendly and practical web applications. I enjoy turning ideas into real products that help people and businesses. With hands-on experience in both frontend and backend development, I build full websites from start to finish.
Skilled in using the MERN stack (MongoDB, Express.js, React.js, Node.js) to develop dynamic web apps with secure authentication, clean UI, and smooth performance.

SKILLS

C++	MongoDB	Node.js
JavaScript	Express.js	Git & GitHub
MySQL	React.js	Postman

PROJECTS

Education Platform - SaaS
- Supports registration for institutes, teachers, and students with different user roles.
- Institutes can create courses and assign teachers to manage them.
- Students can enroll in courses and access assigned learning content.
- Includes user authentication (JWT) and role-based access control.
- Integrated online payment system using eSewa/Khalti for premium courses.

SewaSathi - Hyperlocal Service Marketplace
- A digital platform where users can securely register, log in, and hire nearby service providers like electricians, with role-based access for customers, providers, and admins.
- Enables providers to list services, manage bookings, interact with customers, and supports reviews, user profiles, and local digital payments (eSewa, Khalti).

EDUCATION

BSc.CSIT
Mechi Multiple Campus, Bhadrapur
- 2079 Batch
- Sixth Semester Running

MERN Stack
Digital Pathsala
- Hands-on experience on fullstack web development and real-world problem solving.
